

ESCoP2017/ Varna - Bulgaria
Advances in digestive neuroendocrine neoplasms

Faculties:

Gunter Klöppel (Germany), Bence Sipos (Germany), Jean-Yves Scoazec (France)

September 29th - Friday- Pancreatic neuroendocrine neoplasms

Time	Title	Faculty
8.45-9.00	Introduction to the course, faculties and program	Klöppel
9.00-9.45	Lecture: Diagnosis and classification of pancreatic neuroendocrine neoplasms	Klöppel
9.45-10.15	Interactive session: Hyperplastic and microadenomatous pancreatic proliferations	Klöppel
10.15-11.00	Interactive session: Functioning pancreatic neuroendocrine neoplasms	Scoazec
11.00-11.30	Coffee break	
11.30-12.00	Interactive session: Nonfunctioning pancreatic neuroendocrine neoplasms	Scoazec
12.00-12.30	Observation of slides	
12.30-13.30	Slide seminar	Klöppel / Scoazec
13.30-14.30	LUNCH	
14.30-15.00	Interactive session: Poorly differentiated, mixed pancreatic neuroendocrine neoplasms and mimics	Klöppel
15.00-16.00	Observation of slides	
16.00-16.30	Coffee break	
16.30-17.30	Slide seminar	Klöppel / Scoazec
17.30-18.00	Quiz: Pancreatic NENs – progress evaluation	Klöppel / Scoazec

September 30th - Saturday- Neuroendocrine neoplasms of the tubular gastrointestinal tract

Time	Title	Faculty
9.00-10.00	Lecture: Diagnostic approaches to gut neuroendocrine neoplasms	Sipos
10.00-11.00	Interactive session: Gastric neuroendocrine neoplasms and related precursor lesions	Sipos
11.00-11.00	Coffee break	
11.00-11.30	Interactive session: Neuroendocrine neoplasms of the duodenum and ileum	Sipos
11.30-12.00	Interactive session: Neuroendocrine neoplasms of the appendix	Sipos
12.00-12.30	Observation of slides	
12.30-13.30	Slide seminar	Sipos / Scoazec
13.30-14.30	LUNCH	
14.30-15.00	Interactive session: Neuroendocrine neoplasms of the colon and rectum	Scoazec
15.00-15.30	Interactive session: Poorly differentiated and mixed gut neuroendocrine neoplasms	Scoazec
16.00-16.30	Coffee break	
16.30-17.30	Observation of slides	
17.30-18.30	Slide seminar	Scoazec / Sipos
18.30-18.45	Quiz: NENs of the GI tract – progress evaluation	Sipos / Scoazec
