

Intensive Course in Hematopoietic Pathology VALIS Hotel - Agria, May 18-20, 2025

Sunday 18 May, 2025	12:00-14:00	Transportation from the airport			
		Welcome to Valis Hotel			
	13:30-16:20	Registrations			
	16:20-16:30	Opening		George Agrogiannis - George Kontogeorgos	
			Chairperson: TBA		
	16:30-17:00	Hematolymphoid Tumors	Joseph Khoury	Introduction to the 5th Edition WHO classification of hematolymphoid tumors	
	17:00-17:30	Leukemias	Joseph Khoury	Myeloid neoplasms and precursor states: Overview and practical approach	
	17:30-18:00	Leukemias	Joseph Khoury	Acute leukemias: State-of-the-art for practicing pathologists	
	18:00-18:30	Histiocytic/dendritic cell neoplasms	Joseph Khoury	Histiocytic/dendritic cell neoplasms: Overview and practical approach	
	18:30-19:00	Coffee break			
			Chairperson: TBA		
	19:00-19:30	Lymphomas	German Ott	Indolent B-cell lymphomas - Part 1	
	19:30-20:00	Lymphomas	German Ott	Indolent B-cell lymphomas - Part 2	
	20:00-20:30	Lymphomas	German Ott	Aggressive B-cell lymphomas - Part 1	
	20:30-21:00	Lymphomas	German Ott	Aggressive B-cell lymphomas - Part 2	
	21:00-22:00	Dinner			
			Chairperson: TBA		
Monday 19 May, 2025	7:30-8:30	Lymphomas	Daphne De Jong	T- and NK-cell lymphomas: how to resolve their differential diagnoses - Part 1	
	8:30-9:00	Lymphomas	Daphne De Jong	T- and NK-cell lymphomas: how to resolve their differential diagnoses - Part 2	
	9:00-9:30	Lymphomas	Daphne De Jong	Hodgkin lymphoma: Old and new differential diagnostic paradigms	
	9:30-10:00	Lymphoid proliferations	Daphne De Jong	A new approach to immune deficiency/dysregulation-associated lymphoid proliferations	
	10:00-13:00	Excursion to Mount Pelion Villages			
	13:00-14:00	Lunch			
	14:00-16:00	Free Time			
				Chairperson: TBA	
		16:00-16:30	Myelodysplasia	Valentina Nardi	Myeloproliferative neoplasms
		16:30-17:00	Mastocytosis	Valentina Nardi	Mastocytosis
	17:00-17:30	Other topics	Valentina Nardi	Myeloproliferative and myelodysplastic/myeloproliferative neoplasms	
	17:30-18:00	Other topics	Valentina Nardi	Molecular testing for myeloid neoplasms	
	18:00-18:30	Coffee break			
			Chairperson: TBA		
	18:30-19:00	Molecular Pathology	Ming-Qing Du	Molecular pathology of marginal zone lymphoma	
	19:00-19:30	Molecular Pathology	Ming-Qing Du	Molecular pathology of nTFH lymphoma	
	19:30-20:00	Molecular Pathology	Ming-Qing Du	Clonal evolution and lymphoma relapse	
	20:00-20:30	Molecular Pathology	Ming-Qing Du	Myc translocation in B-cell lymphoma: partner matters	
	20:30-21:00	Free Time		Business Meeting of the Hellenic Division IAP	
	21:00-22:00	Dinner			
Tuesday 20 May, 2025	7:30-8:30	Breakfast			
			Chairperson: TBA		
	8:30-9:00	Cytopathology	Immacolata Cozzolino	1st Edition WHO reporting system for cytopathology of lymph node, spleen and thymus: Overview	
	9:00-9:30	Cytopathology	Immacolata Cozzolino	FNAB diagnosis of lymph nodes: ancillary techniques	
	9:30-10:00	Cytopathology	Immacolata Cozzolino	FNAB diagnosis of lymph nodes: a practical approach, part I (selected cases)	
	10:00-10:30	Cytopathology	Immacolata Cozzolino	FNAB diagnosis of lymph nodes: a practical approach, part I (selected cases)	
	10:30-11:00	Coffee break			
				Chairperson: TBA	
		11:00-11:30	Lymphoma	Mats Ehinger	Ancillary testing in FNAB of lymph node diagnosis including preanalytical issues
		11:30-12:00	Lymphoma	Mats Ehinger	Lymphomas and mimics using ancillary testing correlating cytology with histology, Part 1
	12:00-12:30	Lymphoma	Mats Ehinger	Lymphomas and mimics using ancillary testing correlating cytology with histology, Part 2	
	12:30-13:00	Lymphoma	Mats Ehinger	Lymphomas and mimics using ancillary testing correlating cytology with histology, Part 3	
	13:00-14:00	Lunch			
	14:00-16:00	Free Time			
			Chairperson: TBA		
	16:00-16:30	Infectious lesions	Kelsey McHugh	Infectious and reactive processes correlating cytology with histology - Part 1	
	16:30-17:00	Infectious lesions	Kelsey McHugh	Infectious and reactive processes correlating cytology with histology - Part 2	
	17:00-17:30	Tumors of the GI tract	Kelsey McHugh	Site specific Hematolymphoid Tumors of the GI Tract - Part 1	
	17:30-18:00	Tumors of the GI tract	Kelsey McHugh	Site specific Hematolymphoid Tumors of the GI Tract - Part 2	
	18:00-18:05	Closing remarks		George Kontogeorgos	
	18:05-21:00	Free Time			
	21:00-22:00	Dinner			
Wednesday 21 May, 2025	7:30-8:30	Breakfast			
	7:00-11:00	Transportation to the airport			
	12:00	Latest Check-out			

Flight Schedules-Transportation form and to Athens and Thessaloniki Airports
